*Your Brand Idea. Our Creative Solution.*

Ever thought about starting your own custom line of clothing and merchandise? RiverCity can help you build your dream product line, from scratch!

Let our in-house design team guide you through this intricate process by putting our decades of successful product manufacturing to work for you. We have relationships with dozens of factories all over the world, and we can custom create anything you can envision!

There is NOTHING we can’t help you build. Give us a call today and we can help you start the process of turning your retail merchandise idea, into reality.
Make your style retail ready with custom packing and trims.

**Blank Poly Bags**
Use standard bags or customize your own.  
Minimum quantity required

**Hang Tags**
We can create and apply to your finished products.

**UPC Labels**
UPC labeling to make your product retail ready.

**Custom Shipping Boxes**
Many sizes to fit your needs.
Create your custom made patch today.
Patches are a creative way to express your organization’s identity, and are one of the markets hottest trends.

**Select Many Shapes**

**Embroidered Patch**
Simpler graphics with no fine detail.

**Woven Patch**
Complex and/or detailed graphics. This technique uses thinner threads, resulting in a smoother, more flexible patch.

**Sublimated Patch**
Complex and/or detailed graphics, and photo-realistic images.
**Your Brand. Our e-Store Solution.**

RiverCity can custom-build a promotional merchandise e-commerce system that’s easy to use for your customers and employees alike, while being streamlined and efficient to operate and track.

RiverCity builds our sites to help you consolidate spending and manage your branded merchandise. We offer a variety of e-store and fulfillment solutions that are flexible enough to address future functionality needs. We also help you promote your e-store, manage inventory and distribution, and provide customer support.

We built our first online store in 1997.  
**Let us put our 20+ years of e-store experience** to work for you!
Quality Screenprinting and Embroidery
The best results come from the best people and the best equipment. Whether you’re looking for a custom t-shirt, a team uniform, or a corporate gift, we’ll work one-on-one with you. Call or email us today for your next custom screenprint, embroidery, or promotional product order!

In-House Graphic Design and Illustration
Our versatile and talented design team can provide you with fashionable, artistic and fun designs that sell. Or if you have your own creative vision, we can work with that too! You’ll find personal one-on-one customer service and quality merchandise and apparel!

Service and Support for Your Organization
We’re adaptable. We love to solve problems and strive to deliver high-quality products. We’re your one-stop destination for items you need to make a memorable impression and to boost employee satisfaction and professionalism. In short, we’ll help build your brand.

Why Choose Us?
• Unrivaled customer service – we care about our customers.
• Over four decades of providing high-quality screenprinted and embroidered products.
• Knowledgeable team to help you create eye-catching products.
• Diverse selection of products for your marketing projects, special events, tradeshows and promotions.

Artwork Requirements
If your artwork is not a print-quality file, our in-house art department can recreate artwork for you. For example, if the only logo you have is from your website, we can recreate it in a high-quality format suitable for print output. Please send us what you have, as it can serve as a starting point.

• Your artwork should be in vector format whenever possible. Convert all text/type to outlines.
• Include or identify all fonts used.
• JPGs and GIFs are not acceptable for printing.
• JPGs or GIFs placed inside Illustrator, Freehand, or Corel Draw are not acceptable for printing.
• Photoshop Files are only acceptable under certain circumstances: Files should be created at 300 dpi. Artwork must be created at final imprint size (i.e. 11” wide x 11” tall). Please keep all layers intact (don’t flatten layers) whenever possible.
• Do not create your artwork at 72 dpi.
• Do not resample artwork from 72 dpi to 300 dpi.
• Do not create your artwork at 3” wide if the final size is 10” wide.
• Do create your artwork at the final size of the output.
