OC-CASTL-CST10 ONE CHOICE® 10ft Steel Canopy Tent

An excellent way to provide shade during outdoor events. A standard 10' x 10' size with telescopic legs, set up is quick, easy and user-friendly. Comes with a custom dye-sub printed canopy top and carry bag.

Pricing Available Upon Request

OC-FAL14 ONE CHOICE® 14 ft. Feather Flag

14ft. Large Feather Flag w/Spike Base is a great height for garnering attention outdoors. Custom printed on polyester mesh by the process of dye sublimation, inks heavily saturate the material to create a "bleed-through" visual effect for single-sided prints, and double-sided prints are finished with a silver-gray blocker that lays between. Black flag trim is sewn on graphic for easy pole insertion.

Pricing Available Upon Request

140NS-SIGNICADE Deluxe A Frame

Heavy duty, all purpose sign frame. This classic A frame sign can display two 24" x 36" coroplast graphics. Each sign frame has four fill holes (two on each side of the frame) that allow you to add sand to give your Signicade extra weight for use outdoors. Simply remove plugs from fill holes and fill each hole with sand.

Pricing Available Upon Request

Step and Repeat Displays

Screenprinting Capabilities

RiverCity Screenprinting & Embroidery has been a leading provider of high-quality screen printing and design services for over four decades. With our experience and large workforce, we are able to provide services for anyone nationwide. We specialize in high-quality art design and screen printed apparel for all types of organizations and events, including businesses, non-profits, churches, schools, bands, sports leagues, conventions, conferences, and more.

We keep you involved with every step of the screen printing process to ensure that the final result is exactly what you envisioned. When you come to us, we take care to ensure that we understand your needs and can help with designing artwork for your custom apparel if needed. If you already have a logo or design, bring it to us and let us reproduce it and print it for you. Don't have a logo or design? Give us your ideas and we will help you to develop just the right one. Our talented team of artists can work off an idea or start from scratch.

There's nothing quite like having your logo or custom art embroidered on high-quality apparel. Embroidery is a classic and timeless way to show off your business or organization's brand to build brand image. Embroidery looks great on all kinds of garments, including polos, company jackets and hoodies, hats, and more. We do all of our digitizing and embroidery in-house, use the highest quality threads, and welcome rush jobs.

We treat every embroidery order, no matter the size, with the care and attention it deserves. We do all of our embroidery on site to ensure high-quality results every time. This allows us to pay close attention to detail and quality, and also helps keep costs down so we can pass the savings on to you. With our on-site product and multiple shifts, we are able to fulfill rush orders and meet deadlines.

If your employees, groups, or teams need embroidered apparel nationwide, be sure to give us a call to discuss your needs. We happily serve local businesses, nonprofits, sports teams, bands, and organizations of all kinds (including churches, fraternities & sororities, and more).

Custom Mesh Back Cap with Woven Patch and Custom Back Tag.

Create your custom made patch today.

Patches are a creative way to express your organization's identity, and are one of the markets hottest trends.

Choose from many different types and custom shapes.

Embroidered Patches

Simpler graphics with no fine detail.

Woven Patches

Complex and/or detailed graphics. This technique uses thinner threads, resulting in a smoother, more flexible patch.

Sublimated Patches

Complex and/or detailed graphics, and photo-realistic images.

Leather Patches

Create a natural and soft feel with embossed faux leather patches with stitching.

Rubberized PVC Patches

Create a modern design concept with raised and lowered vibrantly colored rubberized patches. Velcro backing is also an option to add more versatility.

- *Knowledgeable team to help you create eye-catching products.*
- *Diverse selection of products for your marketing projects, special events, tradeshow and promotions.*

Artwork Requirements

If your artwork is not a print-quality file, our in-house art department can recreate artwork for you. For example, if the only logo you have is from your website, we can recreate it in a high-quality format suitable for print output. Please send us what you have, as it can serve as a starting point.

- Your artwork should be in vector format whenever possible. Convert all text/type to outlines.
- Include or identify all fonts used.
- JPGs and GIFs are not acceptable for printing.
- JPGs or GIFs placed inside Illustrator, Freehand, or Corel Draw are not acceptable for printing.
- Photoshop Files are only acceptable under certain circumstances: Files should be created at 300 dpi. Artwork must be created at final imprint size (i.e. 11" wide x 11" tall). Please keep all layers intact (don't flatten layers) whenever possible.
- Do not create your artwork at 72 dpi.
- Do not resample artwork from 72 dpi to 300 dpi.
- Do not create your artwork at 3" wide if the final size is 10" wide.
- Do create your artwork at the final size of the output.
