Screenprinting Capabilities

RiverCity Screenprinting & Embroidery has been a leading provider of high-quality screen printing and design services for over four decades. With our experience and large workforce, we are able to provide services for anyone nationwide. We specialize in high-quality art design and screen printed apparel for all types of organizations and events, including businesses, non-profits, churches, schools, bands, sports leagues, conventions, conferences, and more.

We keep you involved with every step of the screen printing process to ensure that the final result is exactly what you envisioned. When you come to us, we take care to ensure that we understand your needs and can help with designing artwork for your custom apparel if needed. If you already have a logo or design, bring it to us and let us reproduce it and print it for you. Don't have a logo or design? Give us your ideas and we will help you to develop just the right one. Our talented team of artists can work off an idea or start from scratch.

There's nothing quite like having your logo or custom art embroidered on high-quality apparel. Embroidery is a classic and timeless way to show off your business or organization's brand to build brand image. Embroidery looks great on all kinds of garments, including polos, company jackets and hoodies, hats, and more. We do all of our digitizing and embroidery in-house, use the highest quality threads, and welcome rush jobs.

We treat every embroidery order, no matter the size, with the care and attention it deserves. We do all of our embroidery on site to ensure high-quality results every time. This allows us to pay close attention to detail and quality, and also helps keep costs down so we can pass the savings on to you. With our on-site product and multiple shifts, we are able to fulfill rush orders and meet deadlines.

If your employees, groups, or teams need embroidered apparel nationwide, be sure to give us a call to discuss your needs. We happily serve local businesses, nonprofits, sports teams, bands, and organizations of all kinds (including churches, fraternities & sororities, and more).

Your Brand Idea. Our Creative Solution.

Ever thought about starting your own custom line of clothing and merchandise? RiverCity can help you build your dream product line, from scratch!

Let our in-house design team guide you through this intricate process by putting our decades of successful product manufacturing to work for you. We have relationships with dozens of factories all over the world, and we can custom create anything you can envision!

There is NOTHING we can't help you build. Give us a call today and we can help you start the process of turning your retail merchandise idea, into reality.

Overseas headwear resources that work for you with ease.

Make it a custom hat, its your choice, you're in control. Choose between many different hat shapes, styles and colors to create a totally unique design. Choose between various logo application methods such as 3D or flat embroidery; woven, embroidered or sublimated patches; sonic welding, leather or even screenprinting. Finish it off by choosing from custom tagideas and interior detail options that will truly make your hat a custom work of art. Take advantage of price-saving minimum piece orders with our custom headwear program and enjoy the creative process to design your own custom hat.

Step 1: Choose a cap style.

Step 2: Choose fabrics and colors.

Step 3: Choose logo application methods.

Step 4: Choose locations of logos.

Step 5: Add custom interior branding details.

Custom Rope Hat with Detailed Interior.

Custom Camo Cap with Embroidered Patch and Custom Back Tag.

Custom Foam Trucker with Screenprinting and Rubberized Tag.

Custom Mesh Back Cap with Woven Patch and Custom Back Tag.

Create your custom made patch today.

Patches are a creative way to express your organization's identity, and are one of the markets hottest trends.

Choose from many different types and custom shapes.

Embroidered Patches

Simpler graphics with no fine detail.

Woven Patches

Complex and/or detailed graphics. This technique uses thinner threads, resulting in a smoother, more flexible patch.

Sublimated Patches

Complex and/or detailed graphics, and photo-realistic images.

Leather Patches

Create a natural and soft feel with embossed faux leather patches with stitching.

Rubberized PVC Patches

Create a modern design concept with raised and lowered vibrantly colored rubberized patches. Velcro backing is also an option to add more versatility.

Your Brand. Our e-Store Solution.
